Commissioner of Patents and Trademarks

Applicant's Reply Brief of 17 August 2001 has been received and has been noted by the Examiner. The discussion as to the word "rifle" in the Examiner's Answer is merely a response to the admission by Applicant on lines 9-10 of page 8 of Applicant's Appeal Brief as to surrendered subject matter. The discussion in the Examiner's Answer was in no way an attempt to introduce a new ground of rejection. The examiner was merely using the ordinary meaning of the word "rifle" in American English. No further comment on the Reply Brief is considered necessary.
